

Sunday, January 3

All members of the board were present with the exception of Danny Sands.

President Stephen Alexander called the board to order.

Lauren Biesemeyer gave a report on cheer stating that the new director for cheer will be Christina Drew. Christina Drew has been a cheer coach for two years and she will be replacing Lauren Biesemeyer as the new director. Financially, cheer has lost money for the last two years and we are looking at going with the tackle football format in terms of finances.

Kerry Tramel gave the basketball report, stating that the basketball program has been a tremendous success. We are now running games on Monday's, Tuesday's and Fridays from 6 to 9 pm and 9 am to 6 pm Saturday's on all courts. There has been great response and feedback from the Norman Middle School athletic programs. TD and the Norman Public School system has been very pleased with the development programs. All-star weekend is scheduled for February 9. Things are going extremely well with the basketball league. Our traveling teams went 11 and 0 in the most recent tournament. We are looking at expanding those rosters and possibly adding other teams.

Football updates included an attempt to reach out to Guthrie and Newcastle to see if they want to join the west side INFC league. More information on that situation in the future.

Brandon Rehkop reported that flag was extremely successful this year and the feedback was very positive. There was healthy debate by the board regarding an attempt to expand Flag Football to include a fifth grade league starting in 2020. Flag Football would run after Labor Day through the last Sunday of October, with the exception of the OU Texas weekend. The board will discuss and possibly send out information to our customer file to understand the needs of the people we serve.

We will be producing flyers to hand out during All-Star basketball weekend to advertise for football and volleyball.

We discussed the possibility of having our own 7v7 league, but there hasn't been enough interest to create enough teams to make.

No new news for volleyball.

President Stephen Alexander adjourned the meeting and set the next meeting for Wednesday, February 5.
